Detailed Budget

The \$20,000 subaward is focused on technology buildout for the SkaFId Trailhead platform. Core team leadership contributes on a volunteer basis. El Segundo USD provides teacher, admin, and facility resources. ESEDC coordinates employer partners. This catalytic investment will be leveraged to raise additional funds from district CTE allocations, employer partnerships, and workforce development grants.

Budget Summary

Category	Amount
A. Personnel (Contract Engineering)	\$6,000
B. Technology & Platform Development	\$10,000
