SUBRECIPIENT CLASSIFICATION

Subrecipient	Vendor
- Will be responsible for significant programmatic decision-making - Does not provide this service to other customers within normal business operations - Must adhere to any Prime Sponsor compliance requirements - Will own anything developed by the Subrecipient organization	- Will provide goods and services at Stanford's instruction/direction - Provides similar goods or services to other customers as part of normal business operations - Is not subject to compliance requirements of the Prime Sponsor - Stanford will own anything developed

By signing, Subrecipient certifies, based on the table above, the work is correctly classified as a subaward and acknowledges funding will be issued as a subaward agreement that incorporates prime sponsor requirements.

This proposal has been reviewed and approved, and any information, certifications, and representations in the proposal and this document (including attachments) have been made by an authorized official of the Subrecipient named, attesting to its accuracy, completeness, and compliance with the awarding agency's policies. Subrecipient further attests that any subsequent additions, revisions, or modifications provided to Stanford related to this proposal will be accurate, complete and in compliance with the awarding agency's policies. The appropriate programmatic and administrative personnel of each institution involved in this proposal are aware of the awarding agency's policies, intend to accept the obligation to comply with award terms, conditions, and certifications, and are prepared to establish the necessary inter-institutional agreement consistent with that policy. For NIH funded subawards, the Subrecipient certifies they are aware of the requirements in NIH Grants Policy Statement Section 15.2 and are willing to abide by all sponsor requirements should an award be issued.

Any work begun and/or expenses incurred prior to execution of a Subaward agreement are at the Subrecipient's own risk.

We do not have a federally-negotiated rate and have applied actual fringe benefits. Additional information regarding the benefit categories is included in the **Comments** box below.

We have applied other rates. Additional information is included in the **Comments** box below, including the basis for the rate calculation, and the elements used in the calculation.

CERTIFICATIONS

FINANCIAL CONFLICT OF INTEREST (FCOI) Select one:

Not applicable because this project is not being funded by PHS (NIH, CDC, AHRQ, etc.), or any other sponsor that has adopted the federal financial disclosure requirements.

Subrecipient Organization/Institution certifies that it has an active and enforced conflict of interest policy that is consistent with the provision of 42 CFR Part 50, Subpart F "Responsibility of Applicants for Promoting Objectivity in Research" and 45 CFR Part 94 "Responsible Prospective Contractors." Subrecipient also certifies that, to the best of Institution's knowledge, (1) all financial disclosures will be made related to the activities that may be funded by or through a resulting agreement, and required by its conflict of interest policy, and (2) all identified conflicts of interest have or will have been satisfactorily managed, reduced or eliminated in accordance with subrecipient's conflict of interest policy prior to the expenditures of any funds under any resultant agreement and within a timely manner sufficient to enable timely FCOI reporting.

Subrecipient does not have an active and/or enforced COI policy, but will have a PHS compliant policy in place and published at the time of award.

By signing, Subrecipient certifies that the required training will be completed by each investigator prior to engaging in any research related to any PHS funded contract/grant.

DEBARMENT AND SUSPENSION

By signing, Subrecipient certifies that:

- Subrecipient, the PI or any other employee or student participating in this project are not debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from or ineligible for participation in federal assistance programs, federal contracts, or activities.
- Subrecipient, the PI or any other employee or student participating in this project are not presently indicted for, or otherwise criminally or civilly charged by a government entity.
- Subrecipient has not within three (3) years preceding this offer, been convicted of or had a civil judgment rendered against them for commission of fraud or criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property.
